➤ This is “Withdraw” module

The screenshot shows a web browser window with the title "Withdraw | Practical 12". The address bar shows "localhost:8080/Prac_12/withdraw.jsp". The browser's toolbar includes various icons for navigation and extensions. The main content area has a light green background and features a large heading "- WITHDRAWAL -" centered at the top. Below the heading is a horizontal green line. The form consists of three input fields, each with a label above it: "Username" with the value "jethalagada", "Password" with masked characters "....", and "Amount Withdraw" with the value "10000". At the bottom of the form are two green buttons: "Withdraw" and "Go Back".

The screenshot shows a web browser window with the address bar displaying 'localhost:8080/Prac_12/dashboard.jsp'. The browser's taskbar at the bottom shows various open applications including Gmail, GUNI Mail, SITE-NEWS, and several folders like 'Helpful Websites', 'Internship', 'Education', and 'Class'. The web application itself has a light green background. At the top, it says 'Current Balance: \$52221' and 'Hello jethalalgada'. On the right side, there are three green buttons: 'Logout', 'Withdraw', and 'Deposit'. In the center, there is a table with transaction history.
